When you need to see your doctor, go for medical tests, or simply want to run some errands or go shopping, Comfort Keepers® can get you there through our Escorted Transportation Services. Differing from a taxi, we do more than pick you up and drop you off at your destination.

Comfort Keepers® will help you get dressed and prepared for your appointment, accompany you to your visit, take notes to convey back to your family, stay with you until you are ready to leave, and then take you back home. We will also stay with you at home until you are settled back in, accompanied by family or full-time caregivers, or are ready to safely continue your day.

### **Dignity Taxi**

**204-333-0100**

Dignity Transportation began service in Winnipeg in 2006 under contract with Winnipeg Transit, working with their Handi Transit Division. Today, Dignity continues to be Handi Transit's largest contractor, operating ten (10) accessible vans and five (5) cars.

Dignity Taxi is a firm believer in equal access for everyone. We had set out to prove there was a need for more options for those with mobility issues, and in less than a year have provided transport for the Manitoba Wheelchair Sport Association, Children's Wish Foundation, as well as every day transport for those who need it. Since we began operating in October, we strongly believe that we've proven our point, and strive to grow in the years to come
