OCT 01 2021

I am very pleased to proclaim October 1, 2021, as Senior and Elders Day as well as to proclaim October 2021 as Seniors and Elders Month in Manitoba.

Our government supports seniors in wanting to lead active, socially engaged and independent lives. We acknowledge that older adults are valued members of society and deserve to be treated with respect and dignity to enable them to serve as leaders, mentors, volunteers and important members of Manitoba.

I wish all your members much success with events planned for Seniors and Elders Day and throughout Seniors and Elders Month.

Sincerely,
